

THANK YOU LORING GREENWAY RESIDENTS FOR A GREAT 2011

On behalf of the Loring Greenway Association (LGA) we wish to thank the many Loring Greenway residents for their financial contributions in 2011 and their volunteer help with gardening and community activities. The Greenway looked especially wonderful this year with an increasingly beautiful entrance from the Nicollet Mall and an entirely new perennial forest garden next to Loring Way.

The 2nd annual Loring Greenway Oktoberfest was held on Oct 1 attended by nearly 200 residents. Prizes and beverages were donated for the Oktoberfest by the following neighborhood businesses. **Be sure to patronize and thank them for their generous contributions.**

LGA is a non profit organization established to provide enhancements to the Greenway including flower and tree planting, seating, lighting, signage, and neighborhood events. The LGA board is composed of representatives of each building on the Greenway. While the City of Minneapolis owns the Greenway and provides basic maintenance, LGA has stepped in to provide the kind of enhancements needed to ensure that the Greenway remains a premier urban walkway. Plans for 2012 include partnerships with local artistic organizations and fundraising for banners, signage and lighting.

If you have already donated to the Loring Greenway Association for 2011, our sincere thanks. If you have been enjoying the Greenway but are not yet a member, please join us by making a tax deductible contribution. We can't do this without you and together we can do wonders.

Yours truly,

Merry Keefe & Doug Wallace
